Volume 2

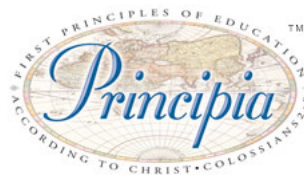

✘ *Principia Relocates to Orlando* ✘

Above are Yoshiaki Hara and some of the Brazilian street children in our latest Feed My Lambs pilot in Sao Paulo. This two-day a week program began May 11 and is solely funded by Brazilian Christian businessmen, a concept promoted by Sr. Hara. The teachers below were trained in February by Dr. Youmans. Pray for success and God's rich blessings!

In January 2005, Principia and the Youmans family relocated from Virginia Beach, Virginia to Orlando, Florida, a city with an international spirit and many Christian ministries. After praying for over a year, the Lord directed us to this Latin American gateway and a beautiful home very close to the airport, where Elizabeth's office will be situated until such a time as the Lord provides a larger setting. We are praising God for His great providence! Although our Virginia friends and colleagues are sorely missed, we have already enjoyed the savings in time and expenses involved in international travel and the pleasant weather that Orlando offers. We have found a wonderful city church where God's Word and reformation are preached in fullness and power. We also appreciate that the church families support Christian education through their elementary school. We are located just over a mile from where Campus Crusade for Christ and the Wycliffe Bible Translators both have their USA headquarters. We invite you to visit us when you're in the Orlando area.
